

Tech Note P

Isuzu Dowell Pins

Ref: TNP

Issue date: 14 Dec 2004

Issue number: 2

The items supplied in this kit have been supplied as a matched set and must be fitted as a matched set, **including all bolts & washers.**

NOTE

Only nine bolts are required as these are specially designed to act as locating dowel/bolts (please remove old dowel pins and do not replace).

Under no circumstances is this clutch to be fitted to a flywheel surface that has not been reground.

Always machine flywheel before installing a new clutch kit
