Ford Transit Flywheel Recess

Ref: TN100

Issue Date: April 2017

Issue Number: 1

Important Information

Various manufacturers are producing clutches for this vehicle application. It is therefore essential to check the depth of the flywheel recess prior to the clutch being installed. Please refer to the below table in order to identify the appropriate EXEDY clutch to suit your flywheel.

Incorrect clutch fitment may result in damage to the clutch and/or the vehicle itself.
