

**Mitsubishi Pajero NM-NP series MBK-7909 &
MBK-7909SMF clutch kit installation**

Ref: TN040

Issue date: 07 Jun 2010

Issue number: 1

MBK-7909 & MBK-7909SMF

The clutch plate contained in these clutch kits is of a wide angle damper (WAD) design and requires the flywheel bore to be 170 +/- 0.5 mm for clearance.
