

CAUTION

The flywheel recess must be checked prior to installation of this clutch kit. Please refer to the below clutch kit and flywheel specifications to ensure the correct kit is being fitted to this vehicle.

As both clutch kits use a common clutch cover to flywheel bolt pattern, failure to check this specification may result in unsatisfactory clutch operation or complete clutch failure.

GMK-7977 = -19mm Flywheel recess

GMK-7978 = -21mm Flywheel recess
